

Recruitment Request Assessment Form

This form must be completed prior to recruiting for any faculty or staff position (excluding grant funded, sessionals and student employee positions) funded through any UBC Okanagan operating budget. Deans and Associate Vice-Presidents are required to review all requests for hiring in their portfolios to ensure that the correct balance is struck between increasing fiscal savings and filling strategically important roles.

Upon completion of this form and approval by the appropriate Dean or Associate Vice-President, this form is to be submitted with a copy of a job description/role profile to ubco.hr@ubc.ca. Please do not email the Principal or Provost directly. Requests will be reviewed once a week. Once approval has been obtained, departments may proceed with posting through Workday.

In order to proceed with the hiring, the decision will need to be supported and approved by the Provost or Principal.

Complete and obtain Dean/AVP’s approval
