**5. NEW BUSINESS**

5.1 Library – Christmas opening

The Union requested that the Library allow all employees to re-submit their vacation requests as original requests were made on the assumption that the Library would be closed over the Christmas break. The University agreed to discuss this issue with the Library and respond to the Union prior to the next meeting.

\*\*\*\*\*

The Union requested that the agenda for the next meeting include clarification on various types of leaves as outlined in the Collective Agreement. The University offered to provide clarification prior to the next meeting and the University will provide a broad response with the understanding that each leave request would likely need to be evaluated on a case-by-case basis. If further discussion is needed, this item will be added to the next meeting agenda.
