1. Call to Order: 10:00am

2. Facilities Safety Issue

- Facilities is expected to maintain the one side of the road parallel to the highway and concerned with the traffic (other side of the road is not University property)
- George was going to look into it – contact CUPE and see if this was considered City work instead

3. Elections

- Management asked for clarification regarding the election/appointment cycle of the BCGEU Chair and stewards – BCGEU advised it would be closer to a new round of bargaining
- Election happened in December last year – 3 year cycle for stewards
- Re-elections for the bargaining team would be dependant upon the term of the agreement this bargained.

4. JJEC rotations for Committee Members

- Need to come up with a set schedule so that all trained members can be on the committee and stay current with decisions
- Discussed having people on for 6 month periods but rotating 1 person every 3 months
- Janna was going to come up with a draft schedule and send to the committee for review
