### What Does Oranj Fitness Offer?

In our 6000sq.ft. studio, you can attend more than 110 classes per week, ranging from yoga, barre, boot camp, spin, and dance. We open as early as 6am and close as late as 9pm on some days. Feel free to get a vegan, superfood smoothie after class or a private/group personal training session. We also offer childcare and we have just expanded our retail section.

Keep us in mind for corporate events! We even do lunch time yoga/fitness classes at your place of business.

#### **All you need to bring is yourself!**

All of our yoga mats, sweat and shower towels are complimentary. We even have spare shoes and gym gear should you have a forgetful day. In our fully equipped facilities, you can wash and style your hair with Kevin Murphy hair products provided by Burke Hair Lounge. We are really the one stop shop for all your fitness and maintenance needs.
